

SAILING  
AGAINST  
DRUGS

XVII.  
LIONS CUP  
MURTER - HRAMINA  
KORNATI

*April 24-26, 2015*

*THIS REGATTA IS THE BIGGEST  
DISTRICT EVENT OF CROATIAN  
LIONS WEHERE EVERY YEAR  
MANY CREWS COME TOGETHER,  
FROM LIONS CLUBS OF CROATIA  
AND OTHER COUNTRIES.*

*We wish it also for 2015 and invite all cubs and their Lions friends  
to join in this humanitarian activity where we show our big heart  
and get new friends.*

*Dear Lions friends,*

*Lions District - 126 Croatia organize for the 17th time the sailing regatta Lions cup "Sailing against drugs" from April 24th-26th 2015 in the aquatorium of the most beautiful Croatian islands, the Kornati National Park. The base and starting point will be the island Murter near and between Šibenik and Zadar (international airport).*

*Regatta has a humanitarian character, as the net amount after covering of the costs (almost the half of the starting fee of € 1.000 per boat/crew) is dedicated to support the drugs abuse prevention programs in each of the four Lions regions of Croatia.*

*We will sail two times (in two days) on sailing boats Bavaria 46 Cruiser, with four cabins and total 10 berths (2 berths per cabin + salon) and two toilets/showers. The boats have heating systems, so all crews can sleep on board, having no extra costs for lodging. The yacht port has good and clean toilette and washing facilities. Of course, we will assist if any of the crew members preferred to sleep in a hotel or apartment.*

*All crew members will get a t-shirt and cap and there will be two dinners with music and being together with all Lions friends participating on the regatta.*

*We also wish that our regatta becomes more international, and we invite clubs from all Lions Districts, near and far, to join and enjoy their time with us and their dear Lions friends. Bellow you can see some pictures of our last year's regatta, and the invitation with the letter of application and more details will follow soon.*
